INVITATION

In our Community of Practice (CoP) focusing on **Gender and Diversity, Support for female researchers**, we are pleased to extend an invitation to our upcoming **Webinar: Exploring linguistic diversity and inclusion: Perspectives from the University of Copenhagen (UCPH)**.

In our CoP, we foster vibrant discussions and knowledge exchange in the area of **Gender and Diversity!** Experience presentations by **core group members** followed by engaging open discussions!

Join us for an engaging webinar and discover how UCPH navigates the challenges and opportunities presented by increasing internationalisation, cultural and linguistic diversity!

- Why focus on internationalisation, cultural and linguistic diversity?
- What are the challenges?
- What can be done in addressing language barriers and ensuring equal access?

We look forward to your participation.
